IMPORTANT NOTICE

An error in page numbering inadvertently occurred in the August (Volume 3, Number 3) issue of COMPARATIVE GROUP STUDIES. The issue should have started with page 261 and ended with page 380; instead the page numbers started with page 133. The table of contents in the issue is a correct guide to the articles, however. In order to clearly differentiate between the May and August issues in the following index, all page numbers are followed by the month of publication. *Please use care when binding this volume.*
